5 Percent Salary Increase For All City Employees

All Carmel City Employees will receive a five percent raise in pay starting July 1. The city council, in a special meeting last night, heard first reading of a salary ordinance which eliminated the bottom step in the five-step salary table and created a new top step. A man in step two qualification will receive the pay the step three man is receiving now; the step three man will get the salary formerly allotted to step four. This across the board raise will be effected without changing the "step" rating of any of the employees at this time. Later, individual applications for advancement along the schedule will be considered.

In addition to the salary raises, a new classification has been created, that of full time fire chief, whose salary schedule will be the same as the police chief's. Also, Fire Commissioner Carl Patnude says he intends to ask the council to approve hiring two additional paid firemen.

The new salaries, plus the general raise, brings the total city annual payroll to $138,811.08; a 9.016 percent increase over the present $127,330.00, or $11,481.00.

Average monthly increase per person, department wise is: police, $18.54; streets, $17.20; fire, $15.00; city clerk's office, $10.50.

The council will meet at 5:00 o'clock Tuesday afternoon to have second reading of the ordinance and vote on it. The entire revised salary schedule may be seen when the Pine Cone publishes the ordinance as a legal.

Last night's meeting opened with second reading of three ordinances and passage of a resolution empowering the state to collect and rebate the city sales tax.

A proposed amendment to the ordinance prohibiting camping on the beach, which would also prohibit sleeping on the beach from sunset to sunrise, was held over for further thought by Councilman John Chitwood who said he thought the ordinance too strin-

Town Meeting Wed. To Hear Livingston

Planning Consultant Lawrence Livingston, Jr., will present his master plan "for the development and enhancement of Carmel" to the general public Wednesday evening, Sunset Auditorium, at 8:00 o'clock.

Livingston, who was retained by the city council last fall to draw up a plan that would help solve the parking problem for Carmel, unveiled his plan in a two-hour presentation to the Carmel Planning Commission in April. The planning commission approved, set June 13 for a public meeting at Sunset to inform the citizens, and June 20 and 27 for public hearings before the planning commission.

The city council and citizens' committee, dissatisfied with many

H.S. Teachers Start Scholarship Fund

Warren Edwards, Lloyd Miller and Alan Aldwell of the High School faculty have established the Carmel Permanent Scholarship Fund. Starting with the present principal of $181 they hope to build the fund to such proportions that the principal, always kept intact, may be invested to yield enough interest to provide a fine

Carmel Pine Cone Takes Practically All Poetry Awards

The Pine Cone Poetry Column ran away with most of the honors at the recent Ad Schuster-Arthur Price Memorial Awards in San Francisco. Of the 90 acceptable poems judged without names, the first prize went to Eric Barker for Council in Solitude; the second to the same poet for On a Piece of Driftwood.

First honorable mention went to May Lutz for When the Bough Lightens; second honorable mention went to Dora Hagemeyer for Jacob's Ladder; third honorable mention went to Margaret Hindes for Blue Fish Cove. All these poems the Pine Cone published first. The contest was for newspaper verse published during the year.

The surprise of the judges was considerable on learning they had unwittingly awarded almost all

Business Assn. Dinner Meeting Up Valley Tues.

The Carmel Business Association will hold its second quarterly meeting on Tuesday evening, June 19, at 7:30 o'clock in the Carmel Valley Inn, according to president August Nieto.

Originally scheduled for Wednesday night the Business Association meeting has been changed to Tuesday evening as a public forum on the Master Plan is tentatively set for Wednesday night.

Frank Putnam, chairman of the planning commission, will be speaker at the Business Association meeting, showing how the Larry Livingston, Jr., Master Plan affects the Carmel businessman. Discussion will follow Putnam's talk.

Nieto urges members of the Association to bring guests to Tuesday night's meeting which he hopes to make a capacity affair.

72 Seniors To Receive Diplomas At Sunset Fri.

Carmel High School graduation ceremonies are being held Friday, June 15 at 8:00 o'clock in Sunset School Auditorium when 72 seniors will receive diplomas awarded by School Trustee, Mrs. Charlotte Clark.

The graduates wearing Navy blue gowns and caps with white tassels, will enter the auditorium to Elgar's Pomp and Circumstance, played by the High School orchestra under the direction of John Farr.

The Invocation will be given by Father John McSweeny, after which graduates and audience will join in the Salute to the Flag, led by Richard Jennings, and in singing of America, The Beautiful.

Class speaker Kyrk Reid will deliver a talk on Compulsory Education. Judy Paplow is next on the program playing a piano solo, Etude No. 4 by Chopin. The instrumental ensemble, consisting of graduates Barbara Mitchell, Irene Carver, David Gray and Reed Putnam will follow with two selections: Jesu, Guard and Guide by Bach, and Awake by Wagner.

Roberta Vallon, as valedictorian, will talk about The Big Three, Home, Church and School. The Boys' Glee Club is next, singing the spiritual, Oh Won't You Sit Down, and A Point Of View by Milkey. The Vocal Ensemble also will sing a spiritual, Jacob's Ladder, and God of Our Fathers by Warren.

John Thompson, class president, will present the class gift to the school, and then Warren Edwards, principal, will announce the honors and awards won by the graduates.

The Gold C awards to two outstanding students are to be announced by Superintendent Stuart Mitchell after which he will present the class, and diplomas will be awarded by Mrs. Clark. Then the graduates join in the singing of the class song. The Reverend Angus Dun, Jr., will close the ceremonies by delivering the Benediction.

The graduates leave the audi-

Sunset Graduates 104 Students At Ceremony Tonight

One hundred and four Sunset School graduates will march down the aisles of Sunset Auditorium tonight at 7:30 o'clock, solemnly keeping time to the music of Elgar's Pomp and Circumstance, Carmel's traditional graduation processional. The girls wearing pastel or white party frocks and the boys coated, white-shirted and wearing ties, will take their places on the platform for the program following the Salute to the Flag led by William True. The invocation will be given by the Reverend Joseph M. Ewing and the address of welcome by class president, William True.

Diane Miller, student speaker, will review Our Years At Sunset, followed by a violin solo, Serenade by Toselli played by James Colome.

Look To Tomorrow, a speech by student speaker, Corlis Jane Ware is next on the program after which the Girls' Chorus will sing Over The Rainbow by Harburg and Arlen.

Christopher Howard Edson, third student speaker, will discuss Our World Of Tomorrow, followed by fourth student speaker, Jennie Keith Hill, talking on Racial Segregation.

The class song, Faith of Our Fathers, will be sung by the graduates and then Principal Orville

Carmel In 2156 A. D.

BY EDWARD A. NEILAN

As most Peninsula residents know, Dr. Hartford G. Rockley, the noted physicist-electronics engineer, has been working for the past two years on the construction of a time machine in the laboratory adjacent to his Big Sur home. Last week Dr. Rockley was kind enough to allow this reporter to make use of the time machine to procure the following newspaper clipping which was — or rather, will be—printed in the Pine Cone:

"CARMEL-BY-THE-SEA, Calif., Earth, June 14, 2156 A.D.—What have been the highlights of the year 2156 locally as the time draws near to prepare for the 242nd Anniversary Edition of the Carmel 3-D Pine Cone?

"Probably the most noteworthy development was the opening of a new helicopter lane for cross-town traffic between 2000 and 3000 feet. Previously there had been much congestion at the rush hours on the regular commuters' lane (between 1000 and 2000 feet). Incidentally, there has been only one helicopter traffic death so far this year in the area, that occurring when a woman shopper's pneumatic Escape-O-Chute failed to open after a crash at 500 feet.

"The opening of the Stillwater Cove harbor as an atomic motorboat mooring was another step forward. In Carmel Valley, about half of that community's 28,000 population turned out for the dedication of the all-glass Heliport, which is expected to increase the Valley's tourist revenue twofold. Supervisor Clinton G. George formally dedicated the structure. Strawberry energy pills were given to kids as favors.

"An anthropological field crew from the San Francisco Museum made some important discoveries during its diggings near the Ju-

BASEBALL LEAGUES FOR LITTLE SPROUTS

Although Little League and Babe Ruth League baseball hasn't as yet arrived in Carmel, the 8 to 15 year old youngsters of the village will have an opportunity to improve their baseball skills in organized leagues sponsored by the Recreation Department when the summer program starts on June 25th. Signups and tryouts for these teams will be held this Monday and Tuesday at the high school diamond where prospective players will be assigned to teams and fundamental skills practiced. At 10:30 Monday morning, the 8 and 9 year olds will go through their paces under the watchful guidance of Director Bill Wakefield and his scouting force. The 10-11 year olds will take over at 1:30 Monday afternoon. Tuesday morning at 10:30, the 12-13 year olds will get their chance and the 14 to 15s are slated for a 1:30 workout.

Players should have their own gloves, but lack of a glove should not deter a prospect from trying out as a borrowed glove sometimes' works well on a skillful hand. Caps and jerseys will be furnished by sports-minded sponsors throughout the community in order that all teams will be dressed alike. Players are not allowed to wear spiked shoes but the Little League type tread shoe is permissible.

A village all-star team from the 13-15 year olds will be organized to play in the Monterey Junior League guided by Stan Weiss, Monterey High football coach. This team will give the youngsters going into high school an opportunity to meet some outside competition and prepare them for the type of competition which they will meet in prep school ball.

POST 512 JUNIOR LEGION AT HOLLISTER SATURDAY

Winner by forfeit over Monterey last Saturday, the Carmel Junior Legion baseball team makes the long trek to Hollister this Saturday afternoon for a joust with the Post 69 aggregation. The Hollister squad is composed almost entirely of Hollister High varsity players and is rated one of the toughest teams in the area. Sparked by a little portsider, Tony Aguirre, Hollister is equipped with good pitching and has a strong hitting crew liberally sprinkled with left-handed swingers.

Carmel's Post 512 team is green, untried, but very willing and will win a few on the field before the season is over. Made up primarily of eighth grade, freshman, and sophomore students, Post 512 is short on experience but long on enthusiasm. In Saturday's game at Hollister, Cim Conway, a skinny righthander, will start on the mound with Tim O'Shea ready for relief duty. Newt Rosenfeld will do the catching, Andy Beck will be stationed at first, Mike Mitchell at second, Andy Gray at third, and Mike Gahagan at shortstop. The outfield will be patrolled by Mal Burdis, Neil Giarratana, Bob Durbrow and Tim O'Shea.

THE SPORT WHEEL

Carmel Lions Club Good To Carmel High Athletes—The very youth-conscious Carmel Lions Club has given a terrific boost to athletics at the Carmel High School by liberal donations of trophy awards to record-breaking athletes and winning teams. In the recent awards assembly, the Lions Club presented gold basketballs to the members of the CCAL varsity basketball champions, gold baseballs to the CCAL varsity baseball champions, and donated special track trophies to Pierre Olivie, Don Petty, and Mike Mosolf for setting new school records in the discus, shot-put, high jump and broad jump. Lion president, Ken Brown, made the awards to the grateful Padre athletes.

Henry Overin Wins Three Straight in State League—Off to a slow start and losing his first two starts, Carmel's Henry Overin, took up the slack in his next three starts and pitched the Stockton Ports to three victories in the tight California State League baseball race. Stockton is locked up in a touch and go chase with Fresno for the league lead and Overin's sharp pitching form is welcomed by manager Roy Partee. Carmel baseball fans may get a chance to see the local lefty in action at Salinas on June 30th when the Ports visit Salinas for a one-night stand.

Monterey Semi-Pros Clubbed By Salinas — Lavett's All-Stars, saviours of semi-pro baseball on the Monterey Peninsula, ran into a Fort Ord-studded C&M Inn baseball squad at El Estero Park last Sunday and dropped the decision to the Salinas crew, 10 to 4. Loaded up with professional pastimers from Fort Ord, the C&M nine packed too much power and smart pitching for the local semi-pro nine. Dick Jennings, Carmel High's All-CCAL pitcher, started on the mound for Lavetts and sailed along smoothly until the fifth canto when a pair of home runs brought in reliefer Smokey Devlin. Bob Michela, the other half of Carmel's All-League battery, was behind the plate for Monterey and turned in his usual steady game, throwing out all would-be base stealers and hitting a sharp single off the pro pitching.

WAKEFIELD GETS DEGREE

William Greer Wakefield, Carmel's recreation director and member of the High School teaching staff, was awarded a master of science degree in education on Saturday by the University of Southern California.

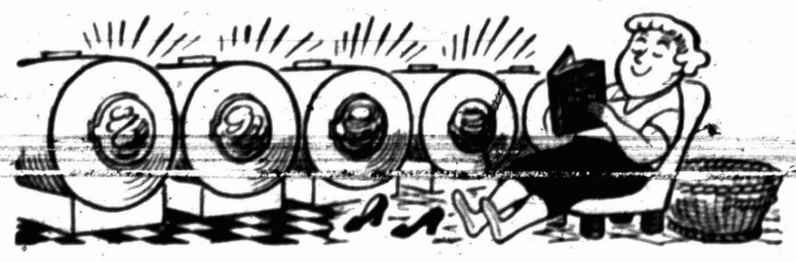
TRAVELING WATER



That water which is scurrying around so fast in the washers has come a long way. The transmission main which brings it from the Santa Lucia Mountains to Forest Lake is about 25 miles long, and the pipeline system which distributes it to consumers in the various Peninsula communities is nearly 400 miles in length. The total cost of the transmission main and the distribution system is approximately $4½-million.

Have you seen the graphic relief map of your water system at 481 Tyler Street, in Monterey?

Hildreth Hare Plans Marriage

Mrs. Hildreth Hare is planning to be married to Joseph H. Gledhill in early September on her return from a trip to Japan, Hongkong and Manila. She leaves on July 10 for the Orient on the President Cleveland and will make a return trip with the ship arriving back in Carmel on August 24.

The daughter of Mrs. J. George Taylor of Pasadena and of the late Dr. Taylor, Mrs. Hare has lived in Carmel since her early youth and been very active in Carmel dramatic productions through the years. She returned last fall from two years spent travelling around the world and in Europe with her daughter, Gay Masten and sons, Warren Masten and Lee and Donn Hare.

She is also the mother of Ric Masten of Carmel and grandmother of his three children, Jerrie, April and Stuart. Her stepsons are James Hare of San Jose and Ted Hare of San Francisco. Mrs. Eleanor Taylor James of Pasadena and Carmel is her sister.

Joseph Gledhill has been a Carmel businessman for over twenty years. He is a veteran of World Wars I and II and an active member of Carmel American Legion Post 512. He is also a member of the Carmel Masonic Lodge and of the Peninsula Shriners.

He is the son of Mrs. Helen Gledhill of San Francisco and his brothers are Robert S. Gledhill and Richard W. Gledhill, both living in San Francisco.

Gary Is Sixteen

Gary Bradburn, son of Mrs. John Ruster, celebrated his sixteenth birthday on Monday, first by getting his driver's license and second by having a birthday dinner and theater party in the evening. Invited to share the roast beef and birthday cake prepared by Mrs. Ruster for the party were schoolmates Carolyn Miller, Patty Elston, Suzann Pilot, Michael Nesbitt, Robin Way and Richard Tetley. Additional guests were three foreign students, one each from Lebanon, Greece and Manila, who arrived that day under the auspices of the Rotary Club and remained as overnight guests of the Rusters. The party was completed by Ted Kuster, Violet Balantine, and Heidi, Peter and Michael John Ruster.

Ann Spurr Sets Date

Ann Spurr, daughter of Mrs. G. D. Hodgson, has chosen June 30 for the date of her marriage in Carmel Mission to Warren Edward Conrad, son of Mr. and Mrs. E. E. Conrad of Redondo Beach.

Maid of honor will be Ann's sister, Sally Spurr, and bridesmaids are Marilyn Cole and Janet Johnston. Mr. Conrad will be his son's best man and ushers are Al Erickson and Bill Hodgson. The reception following the noon wedding will be at La Playa Hotel. Ann graduated last week from San Jose State College and previously attended Carmel High and Sunset Schools.

Mrs. Bunn Here

Mrs. Jane Bunn was busy last week moving into the cottage which she has taken in Carmel. At the end of this week she plans to leave for a few weeks vacation in Honolulu before returning to Carmel for the rest of the summer.

Summer In Steamboat Springs

Miss Charlotte Perry and Miss Portia Mansfield have left their cottage in Carmel for their summer home in Steamboat Springs, Colorado, where they direct the Perry-Mansfield School of Drama and Dance. Since they started their school 40 years ago, it has gained nation-wide recognition. They intend to be away from Carmel until November.

Letters To The Editor

Milllstream Road,
Langford P.O.
Vancouver Island, B.C.
Canada
June 2, 1956

Editor of The Pine Cone:

I was sorry to have missed you when my sister and I called at your office on May 4th, last. It had been the then publisher and owner of your paper (1929) whose mother-in-law in San Francisco had introduced us to the wonders of Carmel, particularly the climate. After hearing all about it, we packed up our camping gear and went there next day. Within three weeks we had bought three lots on Guadaloupe Street where we built our own house. After two years of building it caught fire from a gasoline cooking stove and we took another year to rebuild. I lost my husband Dr. Beale there in December 1934, sold the little place, and returned to Canada where my mother and family lived.

We had a wonderful holiday, visiting the old spots again, but I was horrified to see that somebody had painted our redwood nest WHITE ! ! ! but was very pleased to see that the renovations, talked about 22 years ago, have been carried out so well at the old Mission Dolores. We wandered around it for a long time, and I am hoping the snaps I took turn out well.

I missed seeing our blacksmith-cum-mayor, the late Mr. Catlin, Old Gus, our "police force" of that day, and the local poet, the late Mr. Lincoln Steffens, strolling on the beach in his suit of red twill (or something). I would have gone to see the famous photographer, Mr. Edward Weston, but hearing that he was not very well, I did not like to bother him—have just written him.

I was, as you may imagine, rather upset to find some of the meandering roads straightened out and paved, the little old (unsafe) bridges over the small ravines done away with, many too-modern houses round about, some of the woods and old trees removed —am afraid the little old village is becoming too commercialized, which is a pit.y

Yours sincerely,
Gladys H. Beale

LINE SCHOOL GRADUATION

King Hall at the United States Postgraduate School will be the scene of the graduation, on Wednesday morning at 10:00 o'clock, of the first group of 173 officers to complete work in the nine and one half month course of post-graduate study in advanced Naval Science inaugurated here last September.

Included in this class are 13 Wave officers and 17 officers from foreign countries, Cuba, Ecuador, Nationalist China, Israel, Korea, Pakistan, and the Republic of the Philippines.

Vice-Admiral James L. Holloway, chief of Naval Personnel, will be the speaker. The ceremony also marks the retirement of Captain E. M. Block, Director of the General Line School, after 26 years of outstanding naval service.

It Wouldn't Be Benny If He Did The Expected

The one who couldn't make it June 8 and came June 12—four days late—but who cares? The ever-familiar telephone call, "This is Benny Bufano, I am at the Post Office. I am supposed to talk tonight." The answer from Mrs. Frank Creede, "Oh, Benny, it was last Friday."

So, the day, Tuesday, was spent hurriedly gathering the friends of Bufano who are always interested to hear about his latest creative works. Mrs. Creede immediately called Mrs. Warren Crabtree, President of the Carmel Crafts Guild, Inc. The message traveled quickly—Benny Bufano is in Carmel.

Benny said he left San Francisco Tuesday at 6:00 o'clock in the morning, so first on the agenda (the usual for a traveler) was lunch — of Japanese Tempura — over in Monterey. Lunching with Mr. Bufano were Eleanor Kerr, Warren and Dora Crabtree and Mrs. Creede.

After looking at the various shops in Carmel, Benny established headquarters at Mrs. Creede's home on Isabella and The Point. Ironically speaking, while everyone worked, Benny took a two-hour walk on the beach. According to Benny, the ocean is the first sculptor, the waves sculpturing the rocks.

By 8:00 o'clock the pilgrimage had gathered in the Creede's spacious 50-foot living room. The consensus of opinion was that those who came Friday, but, who could not make it Tuesday night, missed a powerful two-hour talk. Mr. Bufano held an informal question and answer period, told of his latest mosaics, and showed and discussed a copy of his book on sculpturing which took seven years to compile. It is being sold in Europe now and will be released for sale here in the United States soon. It contains photographic plates of all of his original pieces of work, from his earliest to his latest. Benny spoke of commercialism restricting the artist — too many think of selling first. He feels it should be the other way around. Let the artist create with his heart, his mind and soul, and then, be concerned with selling.

Everyone commented how wonderful it was to have the talk in a private home, to listen and meet him, and how much more personal it was to know him this way.

Some of those present included: Mrs. Frances Miller, Mr. and Mrs. Robert Wherritt and daughter Irene, Mrs. Maryan Newbauer Crowe, Miss Broz, Mr. Nello Drizari, Mrs. Georgia Loring Bamford, Roberta Walker, Dora and Warren Crabtree, Nick and Hazel Crookston, Helen Matney, Patricia Hall, Nick Guastella, Mrs. Florence Sharon Brown, Eleanor Kerr, Patricia Cunningham, Millicent Martin and Marjory Pegram.

Carmel Teachers Go Everywhere, Do Everything For Their Vacations

Carmel teachers will be all over the place . . . especially far places . . . this summer. One is going skiing in Chile; another visits the Middle East; several are packing for European and Canadian tours; a number will visit Mexico. Some will take university summer courses; some will stay here and loaf; some will stay here and work. One will build a cabin on the Russian River; another is going fishing. Name a vacation—you'll find it below.

SUNSET SCHOOL

Plans for Sunset School teachers are: Miss Eleanor Cence will be in Glendale. Arthur Hull plans to spend most of the summer here, except for one week visiting in Lake County and two weeks at Camp Roberts with Reserve Unit, 6211th ARSU. Mrs. Doris Demirelli also will remain in Carmel until the end of the summer and then move to Berkeley for further study at Cal. Mrs. Beatrice Wiegman is spending a grandmotherly summer, first going to Eureka to see a new grandson and then to Arizona to stay with her daughter and welcome another grandchild. After that Mrs. Wiegman will go to Cuernavaca, Mexico, to spend a month with her mother.

Mrs. Beatrice Rea will be in Europe leaving on June 20 on the S.S. Independence. Most of her time abroad will be spent in Italy with shorter visits to France and Switzerland. Mrs. Thelma Stohr says she's spending the summer at home celebrating "ketchup days".

Mrs. Sarah Sproull will visit her family in Kansas City, Missouri, and then travel to Schiff, New Jersey, with her husband, Lefty, who will serve as Scout wood badge administrator there. James Blee is to be a wrangler on the Circle H Ranch in the Sierra Nevada, with plans to visit a friend at Lake Tahoe before going to the ranch.

Miss Sally McPhail will work toward her M.A. degree at San Francisco State College this summer and then travel in Mexico and Central America. Peter Glod will attend Hartnell College for six weeks.

Miss Mary-Lee Desmond is another summer school student attending Cal and then plans a Canadian trip by car with sleeping bag. Miss Harriett Norman will be in Oakland resting and seeing friends during July and August.

Miss Vicki Nicolaus plans to be at her home in Alhambra from June 18-July 20, and then go to Mexico City to attend Mexico City College for a course in Mexican history and culture.

Art teacher Joe Broadman is going to paint Sunset School Cafeteria. "Honest!" he says. Arthur Holman who trains Sunset's band, orchestra and choir is deserting music to carry hod for local builders all summer.

Ken Wiese, shop instructor, is spending a month at summer school at Fresno State College and the rest of his vacation in Mexico. School nurse, Mrs. Mary Clayton, will take psychology and education courses at Hartnell College and then relax in Carmel Valley.

Principal Orville Rogers goes to summer camp as an army reservist at the Sacramento Signal Depot from June 17-July 1 and then back to Carmel and the rest of the summer on the job at Sunset School. Richard Pritchard will be attending San Jose State College.

HIGH SCHOOL FACULTY

The High School faculty will also scatter during the summer months with Superintendent Stuart Mitchell and Principal Warren Edwards staying in Carmel, the first to work on plans for new construction in Carmel Unified School District and the latter overseeing construction at the High School.

Also working at the High School during the summer months will be Ian Belangee busy remaking the radio room and creating space for all audio equipment in the shop. Coach George Mosolf will be on campus, too, teaching swimming during the morning at the High School pool. Afternoons he will work on his "farm". Frederick Rainer will be working in Carmel's recreation program under William Wakefield, who will stay in Carmel to direct the program. Lloyd Miller plans a camping trip to Sequoia National Park with his family, and returning to Carmel, will be city building inspector for a month.

Miss Dorothy Wright is going fishing in the Sierras and coming back to Carmel to enjoy life here for the rest of her vacation. Alan Aldwell has short courses at the University of California in Berkeley and at the College of the Pacific included in his summer plans. Then a motor trip to both Canada and Mexico. Mrs. Elise Beaton will pack up her painting equipment and spend the summer painting in "ghost towns."

Mrs. Hal Boyd first goes to Junior Red Cross Conference at Riverside, and second, on a pack trip in Siskiyou County with her husband and two daughters, Carol and Charlotte.

Howard Byrne will teach at summer session at Monterey Peninsula College and John Farr at Music School in Pacific Grove, following attendance at Nature School at Monmouth Lake the last week in June.

Further studies at Hopkins Marine Station is Miss Enid Larson's summer schedule. Mr. and Mrs. Charles Moody intend to take courses at the University of California, Berkeley campus. Mrs. Mariquita Brey is off for courses at U.C.L.A. and visits with her son and daughter-in-law in Los Angeles. Mrs. Ellen Jane Down is staying in Pacific Grove with a possible trip east planned for late in the summer.

Mrs. Frances Davis is going to Honolulu to visit her son and daughter-in-law and meet her new granddaughter for the first time. Donald Craig has construction on his mind this summer, and, come fall, hopes to have built a house on the Russian River. Raymond Gere is going to the Northwest before enjoying the rest of the summer in Carmel. John Westover takes a trip to the Black Hills to see his 97-year-old mother and then spends his remaining vacation here.

Richard Hagadorn is off to South America with his skiis and will try out Chilean mountain slopes.

RIVER SCHOOL

Plans of River School teachers include Miss Marcia DeVoe's trip to Mexico, Guatemala, Panama, Peru, Chile, Argentina, Trinidad, Puerto Rico, Haiti and Cuba. She is flying by Pan-American Airways and will re-enter the United States in New Orleans. Old cultures in South America will claim her interest and she plans photographing natives high in the Andes and the back country of Guatemala.

Mrs. Clarisse Duygou is going to paint her house and take short trips to Yosemite and Clear Lake. Miss Martha Peck is touring Europe and the Middle East with a Whittier College sponsored group, studying the sociology and religion of countries visited. Miss Marilyn Haney stays in Carmel teaching summer school in the morning in Pacific Grove and supervising the playground at Woods School in the afternoon. Then she plans a few weeks in Southern California with her family.

Miss Barbara Nichols is being married on June 23 at her parents Los Angeles home. She will return to Pacific Grove and work as playground director at River School.

Mrs. Anna Kohner attends a six week session at San Francisco State College and then plans a trip to the Sierra. Neil Jensen's summer plans include summer school and work in construction.

WOODS SCHOOL

Plans of Woods School faculty are as follows: Miss Frances Hunt is going home to Eureka for a summer with her family. In July she is flying to New York to meet her brother who is coming home after army service in France. They will drive back to Eureka together by way of the Northern United States and Canada.

"What or where can be nicer than Carmel? If there is any place I'll go", says Mrs. Myra Mylar.

Mrs. Cleo Wells will go to Salinas each day to take San Jose State extension courses at Hartnell College, and with her family plans a trip in August.

Mrs. Lucy Foster studies guidance and counseling, and curriculum, plus sunning with her family in Carmel Valley and a camping trip to Gold Lake for two weeks. Miss Barbara Weis is planning to go to Glacier National Park and making preparations and plans for a trip to Labrador. She leaves for a year teaching first grade at the Goose Bay Air Force Dependent School some time after August 1. Mrs. Katherine French is "staying home" and Mrs. Kay Goines "is going to be in lovely Carmel all summer long!"

The Time Has Come .

By Kippy Stuart

If your camellias and rhododendrons refused to bloom this year, don't burst into tears or rumple your hair. It is the nature of the shade-loving flora to skip a year now and then. If you will look closely, you may see the tiny buds starting at this time to bloom in 1957, for it takes a full year for rhododendrons to make flowers. Some friends have told me that they are fertilizing these sulky plants trying to force them to bloom. That is exactly like prying your child's mouth open in the midst of a deep sleep and commanding them to sing!

Let camellias and rhododendrons alone to seek out their own destiny, and only when fall comes, are you required to give a helping hand. Along in October . . . November . . . fertilize these shade plants mildly. Never too much acid. fertilizer at once; rather more often than too generously in one operation. It is a good idea to give each one a shot of vinegar, (which sounds screwy). This is not to make a salad of your choice plants; it is to offer them a boost to maturity. One tablespoon of cider vinegar in one gallon of water; the ground to be well moistened before application of vinegar. You have no idea how this will pep your plants up for next spring.

In buying expensive plants, such as camellias and rhododendrons, it is never advisable to purchase the five gallon containers. Oh yes, the plant looks so much larger and has so many more buds. If you want quick flowering plants, buy some other type; when you purchase camellias and rhododendrons, you are preparing for the future. These will be with you for years to come and the more care you give them, the better they will mature. The one gallon can, with the smaller plant, will catch on much sooner than the five gallon can. I have seen the smaller plant catch up with the five gallon can and pass along to greater glory. This saves money, yet requires a small wait. Who is in a hurry for a garden anyhow? You want the true answer to this one? The answer is that everybody is in a hurry! It is one of the trials of my life to . . . friends to go slow . . . to grow up with a garden, as one grows up with a family.

The greatest mistake is in overplanting at the start. It is far better to install the basic shrubs, then take the time to live with those shrubs before you begin to crowd the life out of them as well as out of yourself. An over-planted garden is the saddest thing I have to contemplate; it is like a woman who dons fifteen dresses all at once, plus several coats, in order to make an impression.

MIKE AND WALT WIN AWARDS

Two Carmel students received State of California Scholarships at Monterey Peninsula graduation ceremonies on Friday evening. Winner of a $600 State award was Michael Farrell, son of Mr. and Mrs. Frank E. Farrell of Carmel and husband of the former Carol Byers. This scholarship was won in state competition on College Board examinations and is good for each year Mike will spend completing his education.

Winner of a $300 state scholarship was Walter Reynolds of Carmel Highlands. This award was granted by the University of California for high scholarship. Reynolds is majoring in engineering.

FROM A LIBRARIAN'S NOTEBOOK

By Ruth Galvin Thorsburg

At first glance you may think that a juvenile book has strayed into the adult ranks next week. The reason for that is the size and shape of a new book by Roy Cross on Supersonic Aircraft, the Incredible Story of Flight Beyond the Sound Barrier. Be not deceived. It is for adults, as the following sentence should prove. "Sweepback, thinness of the acrofoil in relation to its chord, and low aspect ratio, go far towards solving the problems of delaying compressibility." That's what the book says, that's what it says!

A new series of books on famous art galleries is being published, and we recently received the first one. It is entitled Art Treasures of the National Gallery, London. It is an immense book with beautiful illustrations, with short explanations and known histories of each painting.

The play of the week is Damn Yankee by George Abbott, a musical comedy about a baseball player who sells his soul to the devil. Another book having to do with music, although in an entirely different manner, is the biography of George Gershwin, which is entitled A Journey to Greatness. It was written by David Ewen, who has also written many other books on some phase of music, and who was a long time friend of Gershwin.

Written much like fiction is The Story of a Year: 1848, by Raymond Postgate. The plan is entirely chronological, even the chapter headings are the names of the months of the year, but the handling is interesting in that events all over the world are related to each other month by month.

Two new gifts to the library are books of poetry by Ethel Jacobson, who recently attended the California Writers Conference here on the peninsula. These clever, lilting verses will give you many a smile. The two titles are Larks in My Hair, and Mice in the Ink.

A really beautiful book is Norman Hartnell's Silver and Gold. Mr. Hartnell is one of England's leading designers of clothing for women, and is the man who did the costumes for the wedding and the coronation of Elizabeth II. In this book he tells of his early struggles to become established as a designer. It is liberally illustrated with drawings of his successful designs, and because he is a good artist, the likeness of his royal and famous patrons are clear and enjoyable.

All of us have problems, provided we still have the ability to think, and a new book The Art of Problem Solving has been written by Edward Postgate to help us with our mental calisthenics. Written in an easy running fashion, it will help you with either personal or business problem solving. Not the answers, just the process.

A charming book is The Boys and Their Mother by Keith Jennison. It's a warm, family-type commentary on raising two healthy boys and the things a man learns about his wife while they both cooperate in raising their sons. At intervals there is a paragraph or two in which the mother has her say about it all. Don't miss this one.

Then there is fiction. We are putting out two copies of Mama I Love You by William Saroyan, and two copies of Hannah Fowler, by Janice Giles, and other assorted novels. A list of them is posted at the end of the new fiction shelves near the loan desk. Just come in and check over the list.

The summer reading club for children will get under way as soon as school is out, and next week's piece will be all about the program and children's books. See you then.

Players Circle To Present High Ground

The Golden Bough Players Circle under Director Charles Thomas, will open its summer season on June 22 with the mystery drama High Ground, a London and New York success.

Written by Charlotte Hastings, the play appeared in England under the title Bonaventure. The plot unfolds in a country convent, temporarily isolated from the outside world by raging flood waters. Somewhat surprisingly, one of the sisters turns in a brilliant piece of detective work, on the outcome of which the play reaches its tense climax.

The cast, a blend of Peninsula favorites and experienced newcomers, comprises Polly Bowhay, Gertrude Chappell, Charles Dery, Jacqueline Grossman, Michel MacKay, Katherine McPhee, Rogert Martinson, Peg Miner, Lewis Perkins, Florence Venn and Ruth Ware.

The play will run for six Friday through Sunday week-ends.

WATER PROJECTS AND SCENERY

California's ambitious project to store water in the northern part of the state and transport it through a series of canals and dams to the drier sections farther south is receiving careful study by many public and private agencies whose interests will be affected. On May 15 a Water Project Planning Conference was held in Sacramento under the auspices of the California Department of Fish and Game to coordinate the approach by the conservation agencies that are concerned with fisheries, wildlife and outdoor recreation.

My good friend, Dr. Harold C. Bradley of the Sierra Club, was invited to speak at this Conference on "Aesthetic Considerations in Water Planning". Dr. Bradley, a retired college professor from the University of Wisconsin, now living at his ancestral home in Berkeley, has become a nationally known authority on questions connected wth wilderness protection. It was gratifying that the planners of this conference recognized the importance of obtaining his viewpoint in connection with the effects of the Water Project on wildlife and recreation.

Dr. Bradley's main point was that the enjoyment of scenery, and particularly wilderness scenery, is fully as important in considering the values of a project of this kind as some of the more practical aspects, and that as engineers are called in to consult on the questions of building roads and dams, and as wildlife technicians are called in to present their view-point on the impact of the engineering structures on the harvest of game and fish, so experts on scenic values should also be consulted in order to achieve a fully rounded out project. This is usually the last aspect of a project to be considered and often is completely ignored.

A case in point is the plan for development of the American River basin where a series of dams has been planned that involves invasion of a dedicated Wilderness Area. Another cause for apprehension is the possible invasion of Yosemite National Park by dams planned in connection with the state-wide Water Project. Preliminary maps show structures of this kind.

After warning about these dangers points, Dr. Bradley expressed optimism that the American people are maturing in their sense of aesthetic values. He said: "People, communities, whole nations or cultures change their points of view and their evaluations, as time goes by and experience is gained. The change is from the immediate and the material toward the long range and the intangible. The boy of five might be very willing to trade the most cherished picture on your wall for a pocketful of all-day suckers. Give him time and experience and his sense of values will grow up to be much like your own".

As one reason for his optimism he cited the recent defeat of the proposal to build Echo Park dam in Dinosaur National Monument. There is no doubt that this nationally publicized controversy served to bring to the surface the underlying desire of the American people to support and strengthen legislation that protects our national parks and the wilderness areas of our national forests. Let us hope that it will never again be submerged.

Summer Rec. Program

The Carmel Unified School District, Recreation Department, will open its summer recreation program on Monday, June 25. A full schedule of activities has been planned for each playground.

Swimming: Registration for all swimming classes will begin at 9:00 o'clock Monday morning in the high school gym. Coach George Mosolf will again teach the beginning swimmers. John Thompson will instruct the advanced beginners and Barbara Mitchell will teach the intermediates and the Junior Life Saving class. Coach "Buzz" Rainer will have the advanced swimming and diving classes. A Senior Life Saving class will be scheduled if there are enough requests. The swimming classes will be held mornings Monday through Friday at 9:00, 10:00 and 11:00 o'clock. The bus will make two trips, one at 9:00 and the other at 11:00. The route it will follow is Atherton Way (Mesa) to San Carlos, on San Carlos to the Father Serra statue, and return along Guadalupe to the high school pool. All girls will be required to wear swim caps this year. There will be no charge for swimming instruction.

The pool will be open for recreational swimming every day. Season passes are available at $5.00 per single student, $7.50 for single adult, or $10.00 for family. Single admissions are 20c for student and 50c for adult.

Playground Activities: Playground directors will supervise a program of games, crafts, storytelling, folk dancing, dramatizations, and singing. Weekly highlights of talent shows, hobbies, doll shows, pet shows, and crafts exhibit, are planned. The playgrounds will be open afternoons from 1:00 to 4:00 o'clock for children in Kindergarten through the fourth grade. Miss Barbara Nichols will be supervising the River School Playground and Miss Marilyn Haney will be the supervisor at the Woods School Playground. Miss Haney will be assisted by Katy Fry.

Boys' Baseball and Softball: Two city ball leagues are being organized this year. One is for the 8-11 year olds and the other for the 12-15 year olds. Each team will play both baseball and softball. A clinic to determine team assignments will be held Monday and Tuesday, June 18 and 19, at the high school field. Classification of abilities will be made by Coaches Mosolf, Rainer, Holman, and Wakefield. The 8 and 9 year olds are to report on Monday morning at 10:00 o'clock; 10 and 11 year olds at 1:30 o'clock. Tuesday at 10:00 o'clock the 12 and 13 year olds; and 14 and 15 year olds at 1:30 o'clock.

Team assignments will be based on ability and the teams will be balanced as evenly as possible. Every boy who registers will have a chance to play. League play will begin Monday, June 25.

Day Camp: Children between the ages of 8 and 12 may participate in the day camp at Rancho Fiesta. Registrations may be mailed to Mrs. Marian Reid, Box 600, Carmel. The fee is $7.50 per week. The first session meets at 9:00 o'clock in the morning at the Sunset School, Tuesday, June 26. Two more sessions will be announced later. Day camp will be open 9:00 through 4:00 o'clock, Tuesday, Thursday and Friday.

The Beachcombers (6-8 years old) will meet on Monday and Wednesday from 10:00 to 2:00 o'clock at the Sunset School. A fee of $4.00 is charged for this activity. Reservations may be made with Mrs. Reid.

Instrumental Music: Beginning instruction for grades 5 and 6 will be given Monday through Friday from 1:30 to 2:30 o'clock at Sunset School. Mr. John Farr will be the instructor.

Tennis: Tennis instruction is open to all children 10-14 years on Tuesday and Thursday at the high school courts.

Sewing: Mary Dickinson will instruct a class in sewing in Room 11 at the high school on Tuesday and Thursday from 1:00 to 4:00 o'clock.

Charcoal Portraiture: Classes, taught by Kay Rodgers, will meet in Room 13, Sunset School, Monday and Wednesday evenings at 7:30 o'clock.

Sketching and Painting: Mr. Charles Lee will have his classes in Room 14 at the high school on Monday and Wednesday evenings at 7:00 o'clock.

Pottery: Classes for advanced adults, only, will meet Monday and Wednesday evenings at 7:00 o'clock in Room 19 at Sunset School. Adults and children may join the class on Tuesday and Thursday at 7:00 o'clock in Room 19, Sunset School. Mr. Robert Lynn will teach both classes.

Badminton: College students and adults may participate in recreational badminton from 7:30 to 10:30 Tuesday and Thursday evenings at the high school gym.

Sunset Playground: Ping-Pong, sacket, archery, and organized games will be offered Monday through Friday afternoons from 1:00 to 4:00 o'clock.

Men's Softball: The men's softball teams play Monday through Friday evenings from 7:00 to 9:30 o'clock at Sunset Field.

For additional information call Bill Wakefield, Director, between 5:00 and 6:00 o'clock at 7-6040.

Polly Gann Wins Award

Polly Gann, 15, daughter of Mr. and Mrs. Ernest Gann, and a member of the freshman class at Carmel High School, is one of 48 California high school students to receive a scholarship award to the sixteenth annual summer school for Junior Statesmen of America to be held at Mills College from June 24 to July 14. The curriculum includes intensive training in constitutional and American government, student government, literature and composition, ethics, and public speaking. Enrollment is limited to 70 students who live on campus.

The scholarship awarded to Polly was given on the basis of scholastic attainment, participation in extra-curricular activities, personality, and interest in American government. She is active in the Carmel High Junior Statesmen Club, Student Council, Ski Club and Girl's League. Tennis, sailing and swimming are her hobbies.

Adult Art Class Exhibit

Students of Charles Y. Lee and Clarence Bates are displaying their work for a month in the Community Room of the Monterey Public Library. Bates' color and design class is represented by work of Jan Bennett, Fanchon Freeman, Donna Davis, Feg Murray, Norma Jones, Olix Murray and Jack Gall.

Drawing and painting done under Lee's guidance is being shown by Harriet Ayers, Ruth Boylen, Patricia Clark, Joan Currie, Maxine Edmonds, Yolande Frost, Martha Harrington, Loretta LaCava, Jessie James, Joan Meserve, Ardis Morton, Ellene Purdy, Carl Wagenman and Laura Vaughn.

Barbecue on Father's Day

Our Lady of Mount Carmel Church in Carmel Valley is sponsoring a barbecue to be held at the Water Company Lawns in the Valley on Sunday, Father's Day, from 1:00 o'clock until 4:00 in the afternoon. Reservations may be made by calling Leo Berta at 9204 or Mrs. William J. Tobin at 9239.

Bud Grant Married Saturday

Dorothy Diane Crookshanks, daughter of Mr. and Mrs. Jack Clinton Crookshanks of North Hollywood, was married on Saturday to Lawrence Buckingham (Bud) Grant, son of Mr. and Mrs. Charles B. Grant of Carmel. The ceremony, performed by the Right Reverend Harry C. Meade, took place at 3:00 o'clock in the afternoon in St. Charles Borromeo Catholic Church. The reception following the marriage was held in the Sun Lounge of the Beverly Hills Hotel.

The bride's gown was made with a bodice of Chantilly lace in long torso style from which fell a full-length tulle skirt. A small crown trimmed with seed pearls held her veil in place. The veil was fashioned of five generations' old family wedding lace. Lilies of the valley, stephanotis and white orchids were combined in her wedding bouquet.

Maid of honor, Anne Louise Busch, was dressed in a nylon dotted Swiss frock over pale blue taffeta and carried hybrid Vanda orchids. Bridesmaids, Juli Campbell and Connie Mangold, wore similar gowns in pink with Joan Fuller, the bride's cousin, as junior bridesmaid, dressed like the other attendants except that her frock was pale yellow in color.

Best man for the groom was Michael A. Hodges and ushers were John Stewart, Roger Loftfield and the groom's brother, Tim Grant.

Mrs. Crookshanks attended her daughter's wedding in a chocolate chiffon gown with matching accessories and a corsage of green orchids. Mrs. Grant, mother of the groom, wore a taupe chiffon sheath dress with pink accessories.

The bride and groom are now honeymooning in Hawaii and on their return will make their home in Pebble Beach. Both of them graduated this year from the University of Arizona where the bride was a member of Pi Beta Phi and Alpha Epsilon and the groom was affiliated with Kappa Sigma fraternity. He attended Menlo Jr. College before entering the University of Arizona and was a member of the class of 1952 at Carmel High School.

ORDINANCE NO. 222 N.S.

AN ORDINANCE AMENDING AN ORDINANCE OF THE CITY OF CARMEL-BY-THE-SEA IMPOSING A LICENSE TAX FOR THE PRIVILEGE OF SELLING TANGIBLE PERSONAL PROPERTY AT RETAIL, PROVIDING FOR PERMITS TO RETAILERS, PROVIDING FOR THE COLLECTING AND PAYING OF SUCH TAX, AND PRESCRIBING PENALTIES FOR VIOLATIONS OF THE PROVISIONS HEREOF.

THE CITY COUNCIL OF THE CITY OF CARMEL-BY-THE-SEA DOES ORDAIN AS FOLLOWS:

Section 1. Ordinance No. 129 N.S. and all amendments thereto is hereby amended to read as follows:

"Ordinance No. 129 N.S.

Section 1. IMPOSITION AND RATE OF TAX. For the privilege of selling tangible personal property at retail a tax is hereby imposed upon all retailers at the rate of one percent (1%) of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in the City of Carmel-by-the-Sea on or after June 13th, 1956. The tax imposed by this ordinance is in addition to any and all other taxes imposed by any other ordinance of the City of Carmel-by-the-Sea.

Section 2. TAX LEVIED IN SAME MANNER AS STATE TAX. The tax hereby levied, except as otherwise herein provided, is levied in the same manner, to the same extent and under the same conditions as sales taxes are levied pursuant to Part 1 of Division 2 of the California Revenue and Taxation Code, known as the "Sales and Use Tax Law," as amended and in force and effect on June 13th, 1956.

Section 3. ADOPTION OF STATE SALES TAX LAW BY REFERENCE. EXCEPTIONS.

A. All of the provisions of the "Sales and Use Tax Law," as amended and in force and effect on June 13th, 1956, except the provisions thereof pertaining solely to the "Use Tax" and Sections 6051, 6052, 6053, 6066, 6067, 6068, 6069, 6070, 6071, 6451, 7052, 7056, 7101, 7102, 7151, 7152, 7153, applicable to sales of property at retail, are hereby adopted and made a part of this ordinance as though fully set forth herein, and all provisions of any other ordinance in conflict therewith are inapplicable to this ordinance and the tax hereby imposed.

B. The term "gross receipts," as used herein, does not include the amount of any tax imposed by the State of California upon or with respect to retail sales whether imposed upon the retailer or upon the consumer.

C. The term "Sale" shall mean and include, in addition to the meanings contained in paragraph A of this section, the withdrawal by a retailer in this City of tangible personal property from a place in this City from a place in California outside this City under the control of the retailer, or from a place in California outside this City at the order of the retailer, for delivery in any manner at a point in California outside this City under such circumstances that the transaction of which the withdrawal is a part would have been considered a sale within the meaning of paragraph A of this section had the point of delivery been within this City. Provided, however, that withdrawals pursuant to a transaction in foreign or interstate commerce shall not be sales for the purpose of this section. Charges made for the delivery of tangible personal property so withdrawn shall be included in the gross receipts by which the tax imposed under this section is measured unless such charges are separately stated and are imposed for transportation which occurs after the sale of the property to the purchaser.

D. All of the provisions of the "Sales and Use Tax Law" hereby adopted, providing for the adoption of rules and regulations and for hearings on the part of the State Board of Equalization, shall be performed by the City Council of the City of Carmel-by-the-Sea. All other provisions of the "Sales and Use Tax Law" hereby adopted, providing for the performance of official action on the part of the State Board of Equalization, shall be performed by the City Tax Collector of the City of Carmel-by-the-Sea.

E. The City of Carmel-by-the-Sea shall be deemed substituted for the State of California whenever the State is referred to in said "Sales and Use Tax Law."

F. The City Attorney of Carmel-by-the-Sea shall be deemed substituted for the Attorney General whenever the Attorney General is referred to in said "Sales and Use Tax Law."

G. The City Clerk of the City of Carmel-by-the-Sea shall be deemed substituted for the State Controller whenever the State Controller or State Board of Control are referred to in said said "Sales and Use Tax Law."

H. The County of Monterey shall be deemed substituted for the County of Sacramento whenever the County of Sacramento is referred to in said "Sales and Use Tax Law."

Section 4. EXEMPTIONS. In addition to the exemptions contained in Part I of Division 2 of the Revenue and Taxation Code of the State of California, after June 13, 1956, there shall be excluded from the computation of the tax gross receipts from:

A. The amount of any sales or use tax imposed by the State of California upon a retailer or consumer.

B. Receipts from the sale of tangible personal property upon which a sales or use tax has become due by reason of the same transaction to any other city and county, county other than Monterey County, or city in this state under a sales or use tax ordinance enacted by that city and county, county other than Monterey County, or city in this state, whether in accordance with, or purporting to be in accordance with Part 1.5 of Division 2 of the Revenue and Taxation Code of the State of California, or in accordance with the organic law of any such city.

C. Receipts from sales to operators of common carrier and waterborne vessels of property to be used or consumed in the operation of such common carriers or waterborne vessels principally outside of this City.

D. Sales made pursuant to contracts actually executed in good faith prior to the effective date of this ordinance.

Section 5. ADOPTION OF RULES AND REGULATIONS BY REFERENCE. INTERPRETATIONS. The rules and regulations of the State Board of Equalization as amended and in force and effect June 13, 1956, pertaining to the interpretation, administration and enforcement of the "Sales and Use Tax Law," insofar as applicable, except Rule No. 55 (Section 2015, Title 18, California Administrative Code, Sales & Use Tax) shall apply in the interpretation of this ordinance until specifically abandoned by the rules and regulations adopted by the City Council of Carmel-by-the-Sea pursuant to this ordinance. The word "City" shall be deemed substituted for the word "State" whenever the word "State" appears in said rules and regulations.

In lieu of Rule No. 55, specifically excepted above, the following interpretations shall apply in the administration of this ordinance:

A. The sales tax **does not** apply to sales of property which is:

(1) Imported into this City from a foreign country and sold by the importer in the original package in which imported.

(2) Sold to foreign purchasers for shipment abroad and delivered to a ship, airplane, or other conveyance furnished by the purchaser for the purpose of carrying the property abroad and actually carried to a foreign destination, title and control of the property passing to the foreign purchaser upon delivery, and no portion of the property being used or consumed in the United States. Copies of U.S. Customs Shippers' export declarations filed with the Collector of Customs must be obtained and retained by retailers to support deductions taken under this paragraph. The tax applies to the transaction if the property is diverted in transit or for any reason not actually delivered outside the City pursuant to the contract of sale or not shipped abroad by a foreign purchaser, regardless of documentary evidence held by the retailer of delivery of the property to a carrier for shipment outside the City, or to a foreign purchaser for shipment abroad.

(3) Mailed by the seller, pursuant to the contract of sale, to persons in the armed forces at points outside continental United States, notwithstanding the property is addressed in care of the Postmaster and forwarded by him to the addressee. When mail is addressed to Army Post Offices (A/P/O's) in care of the Postmaster or to naval forces addressed in care of the Postmaster, it will be presumed that it is forwarded outside California. The seller must keep records showing the names and addresses as they appear on the mailed matter and should keep evidence that the mailing was done by him.

(4) Shipped to a point outside this City pursuant to the contract of sale when the property is marked for export and delivered by the retailer to the "contracting officer," "officer in charge," "Port quartermaster," or other officer of the United States for transportation and deliverey to the purchaser at such a point.

B. The sales tax **does not** apply to sales of airplanes, and parts and equipment for airplanes, transported to a point outside this City pursuant to the contract of sale when such property is delivered to the to the United States Army Corps or any other agency or instrumentality of the United States for transportation and delivery to the purchaser or someone designated by him at that point.

C. The sales tax **does not** apply (either in interstate or intrastate commerce) to sales of property shipped from a point outside the City of Carmel-by-the-Sea to a purchaser inside the City of Carmel-by-the-Sea, or to the retailer's agent in the City of Carmel-by-the-Sea, for delivery to the purchaser, if none of the elements of sale, other than such delivery, takes place in the City of Carmel-by-the-Sea.

D. The sales tax **does** apply (either in interstate or intrastate commerce) to sales of property shipped from a point outside of the City of Carmel-by-the-Sea, to a purchaser inside the City of Carmel-by-the-Sea, or to the retailer's agent in the City of Carmel-by-the-Sea, for delivery to the purchaser where any element of the sale, in addition to such delivery, takes place in the City of Carmel-by-the-Sea.

E. "Element of Sale" is hereby defined to include solicitation of an order, the acceptance of an order, the giving of an order, whether such order is given in person, by telephone or by mail, or the payment of the purchase price.

F. The City Tax Collector may approve the payment of the sales tax by retailers located outside the city in accordance with a formula if he finds that the formula will produce the same or approximately the same tax as if detailed accounting procedures had been followed. A retailer desiring to use such a formula shall furnish such information as may be required by the City Tax Collector to enable him to make the required finding. The formula may be used by the retailer for such period of time, not to exceed one year, as may be authorized by the City Tax Collector, in writing, an is subject to renewal, upon application, for periods not to exceed one year.

Payment in full of sales taxes in accordance with an approved formula shall constitute full satisfaction of the retailer's sales tax liability.

Section 6. VERBATIM EXCERPTS SHALL NOT EXCLUDE BALANCE. The inclusion of any clause, portion or part of the "State Sales and Use Tax Law," Part 1, Division 2, of the Revenue and Taxation Code of the State of California, or the rules and regulations of the State Board of Equalization, verbatim in this ordinance shall not in or of itself be deemed to exclude any of the remaining provisions of said "Sales and Use Tax Law" or rules and regulations that are made a part hereof by reference only.

Section 7. APPLICATION FOR PERMIT. Every person desiring to engage in or conduct business as a seller within the City of Carmel-by-the-Sea shall file with the City Tax Collector an application for a permit for each place of business from which taxable sales will be made. Every application for a permit shall be made upon a form prescribed by the City Tax Collector, and shall set forth the name under which the applicant transacts or intends to transact business, the location of his place or places of business, and such other information as the City Tax Collector may require. The application shall be signed by the owner, if a natural person; in the case of a corporation, by an executive officer or some person specifically authorized by the corporation to sign the application, to which shall be attached the written evidence of his authority.

Section 8. ISSUANCE AND DISPLAY OF PERMIT. After compliance with Section 7 of this ordinance by the applicant, the City Tax Collector shall grant and issue to each applicant a separate permit for each place of business from which taxable sales will be made. A permit is not assignable and is valid only for the person in whose name it is issued and for the transaction of business at the place designated therein; provided, however, a change of location may be endorsed upon the permit by the City Tax Collector. The permit shall at all times be conspicuously displayed at the place for which issued.

Section 9. REVOCATION OF PERMIT. Whenever any person fails to comply with any of the provisions of this ordinance or any rule or regulation adopted pursuant hereto, the City Council of the City of Carmel-by-the-Sea, upon hearing, after giving the person ten days' notice in writing specifying the time and place of hearing and requiring him to show cause why his permit or permits should not be revoked, may revoke or suspend any one or more of the permits held by the person. The notice may be served personally or by mail in the manner prescribed for the service of notice of a deficiency determination under the "Sales and Use Tax Law." The City Tax Collector shall not issue a new permit after the revocation of a permit unless the City Council of the City of Carmel-by-the-Sea is satisfied that the former holder of a permit will comply with the provisions of this ordinance and the rules and regulations adopted pursuant hereto and directs the City Tax Collector to issue such permit.

Section 10. UNLAWFUL ACTS. A person who engages in business as a seller in the City of Carmel-by-the-Sea without a permit or permits, or after a permit has been suspended or revoked and before the renewal or issuance of a permit, and each officer of any corporation which so engages in business, is guilty of a misdemeanor.

Section 11. DUE DATE. The taxes imposed by this ordinance are due and payable to the City Tax Collector on or before the last day of the month next succeeding each quarterly period, the first quarterly payment to be due and payable under this ordinance on the 30th day of June, 1956. The City Tax Collector may require returns and payment of the amount of taxes for quarterly periods other than calendar quarters depending upon the principal place of or the nature of the business of the seller or retailer or may require returns and payment of the amount of taxes for other than quarterly periods.

Section 12. REIMBURSEMENT. The tax hereby imposed shall be collected by the retailer from the consumer insofar as it can be done.

Section 13. UNLAWFUL ADVERTISING. It is unlawful for any retailer to advertise or hold out or state to the public or to any customer, directly or indirectly, that the tax or any part thereof will be assumed or absorbed by the retailer or that it will not be added to the selling price of the property sold or that, if added, it or any part thereof will be refunded. Any person violating any provision of this section is guilty of a misdemeanor.

Section 14. SUIT FOR TAX. All taxes hereby levied shall be payable to the City Tax Collector and any civil suit for the collection thereof may be filed in any court of competent jurisdiction in the State of California, and the City Attorney of said City shall prosecute the action.

Section 15. RESALE CERTIFICATE. The City Tax Collector may at his option accept a State of California Resale Certificate as evidence that any sale is not a sale at retail, or he may in his discretion require an affidavit from the seller setting forth such information respecting such sale as he deems necessary to determine the nature of such sale.

Section 16. EXTENSION OF TIME. WAIVER OR COMPROMISE. The City Tax Collector shall have power, for good cause shown, to extend for a period of not to exceed 30 days the time for making any return or paying any amount required to be paid under this ordinance, when requested so to do in writing, before the same becomes delinquent. The City Tax Collector may, with the written approval of the City Attorney, waive or compromise any penalty or interest that would otherwise accrue under the provisions of this ordinance. The City Tax Collector shall make and transmit to the City Council quarterly a detailed report of any sums so waived or compromised with the reasons therefor.

Section 17. DISPOSITION OF PROCEEDS. All monies collected under and pursuant to the provisions of this ordinance shall be deposited and paid into the General Fund of the City of Carmel-by-the-Sea.

Section 18. DIVULGING OF INFORMATION FORBIDDEN. It is unlawful for any officer or employee of the City of Carmel-by-the-Sea having an administrative duty under this ordinance to make known in any manner whatever the business affairs, operations, or information obtained by an investigation of records and equipment of any retailer or any other person visited or examined in the discharge of official duty, or the amount or source of income, profits, losses, expenditures, or any particular thereof, set forth or disclosed in any return, or to permit any return or copy thereof or any book containing any abstract or particulars thereof to be seen or examined by any person. However, the City Council may, by resolution, authorize examination of the returns by federal or state officers or employees or by the tax officers of this or any other city if a reciprocal arrangement exists. Successors, receivers, trustees, executors, administrators, assignees, and guarantors, if directly interested, may be given information as to the items included in the measure and amounts of any unpaid tax or amounts of tax required to be collected, interest and penalties.

Section 19. PENALTIES. Any person required to make, render, sign or verify any report under

CHRISTIAN SCIENCE SERMON

"Is the Universe, Including Man, Evolved by Atomic Force?" is the subject of the Lesson-Sermon to be read at Christian Science services Sunday.

Man's God-given dominion over material laws and limitations will be set forth in readings from the King James Version of the Bible and from "Science and Health with Key to the Scriptures" by Mary Baker Eddy.

Among the selections to be read from Science and Health is the following (307:26): "Man was not created from a material basis, nor bidden to obey material laws which Spirit never made; his province is in spiritual statutes, in the higher law of Mind."

The Golden Text is from Psalms (95:3, 4): "The Lord is a great God, and a great King above all gods. In his hand are the deep places of the earth: the strength of the hills is his also."

ORDINANCE NO. 222 N.S.
(Continued from Page Eleven)

the provisions of this ordinance, who makes any false or fraudulent return, with intent to defeat or evade the determination of an amount due and required to be paid hereunder, is guilty of a misdemeanor, and upon conviction thereof shall be punishable by a fine of not more than Five Hundred Dollars ($500.00) or by imprisonment for a period of not more than six months, or by both such fine and imprisonment.

Section 20. SAME. Any person, firm or corporation violating any of the terms of this ordinance shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punishable by a fine of not more than Five Hundred Dollars ($500.00) or by imprisonment for a period of not more than six months, or by both such fine and imprisonment.

Section 21. SEVERABILITY. If any section, subsection, sentence, clause, phrase, or portion of this ordinance is for any reason held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this ordinance. The Council of this City hereby declares that it would have adopted this ordinance and each section, subsection, sentence, clause, phrase or portion thereof, irrespective of the fact that any one or more sections, subsections, sentence, clauses, phrases or portions be declared invalid or unconstitutional.

Section 22. EFFECTIVE DATE. This ordinance, inasmuch as it provides for a tax levy for the usual current expenses of the City, shall take effect immediately."

Section 2. That the City Clerk of said City is hereby instructed to cause this Ordinance to be published once in the CARMEL PINE CONE, the official newspaper of said City, within fifteen (15) days after its final passage and approval.

PASSED AND ADOPTED BY THE CITY COUNCIL OF THE CITY OF CARMEL-BY-THE-SEA, this 13th day of June, 1956, by the following vote:

AYES: COUNCILMEN: Lyon, Patnude, Chitwood, Buffington, Whitaker.
NOES: COUNCILMEN: None.
ABSENT: COUNCILMEN: None.

APPROVED:
Horace D. Lyon,
Mayor of said City.

ATTEST:
L. D. Rose,
City Clerk thereof.

Water Co. Asks For Increase In Rate

The California Water and Telephone Company applied Tuesday to the State Utilities Commission for permission to raise Monterey Peninsula water rates $200,800 annually. C. M. Goldsworthy, peninsula manager, states of this the company will realize $92,500 net revenue after taxes. Goldsworthy said the rates requested take into account higher costs of serving customers living in areas requiring service by pumped water.

The proposed rates would increase costs of the average domestic consumer of 700 cubic feet monthly in the gravity area 1c per day, less than 3c per day in the first pumping zone and a little over 4c per day in higher pumping zones. There are 25 pumping plants and 30 tanks and reservoirs needed to supply hill service.

Goldsworthy also stated the company has not realized the 5.75% rate of return contemplated by the commission when present rates were made effective in 1952. Since the last rate proceeding four consecutive wage increases have been put into effect, materials and supplies have continued to increase, more than $1,500,000 have been invested in plant improvements and expansion from 1952 through 1955. It is estimated another half million will be spent this year, Goldsworthy said.

ALCOHOLICS ANNONYMOUS meets Thursday night, 8 p.m. at Carmel Red Cross Bldg., 8th & Dolores. Invitation extended to any one with a drinking problem and to anyone who is interested.

H.S. Teachers Start Scholarship Fund

yearly scholarship for a deserving student, who, at any time has attended Carmel High School. The scholarship can be granted to the winner at any point of his college career, even in graduate school.

The Permanent Scholarship will in no way affect the existing Bardarson Memorial Scholarship which is granted as a loan to a Carmel High School graduate.

Sparked by the idea of Aldwell, Miller and Edwards enthusiastically entered into the establishment of the Permanent Scholarship. They welcome any donations from persons interested in helping needy Carmel students obtain a college education, and, at present, are aiming at a $10,000 goal. This money invested in gilt-edge securities yielding five percent would permit the granting of a Carmel Permanent Scholarship of $500 each year. Aldwell, Edwards and Miller are trustees of the fund. A selection committee will be appointed when necessary.

THE CHILDERS' WANDERINGS

Charles and Maud Childers, former Carmelites (Charlie was a city councilman) are back home in Seaside after four months roaming around. "We stayed in Florida until the Yanks and Cards left April 4."

They drifted down to Miami, flew to Havana, saw all the sights there, then flew to Nassau. Back on the mainland they reclaimed their car and drove through the Smokies, visited Hot Springs, Arkansas, and Estes Park in Colorado.

J. H. Skillman

Captain J. H. Skillman (USN ret.) died on Friday in Oak Knoll Naval Hospital in Oakland where he had been a patient for the last seven weeks of a three month illness. He had lived in Carmel since 1948 at San Mateo and San Luis Roads in Carmel Woods.

Born in Missouri, Captain Skillman entered the Navy as an enlisted man in his youth. He was later sent to Harvard Business School by the Navy and commissioned in the supply corps. He saw service in both World Wars and twice received Naval commendations for outstanding service during World War II. The first commendation was for his outstanding service at Pearl Harbor on the USS California which sank as a result of bombings on December 7, 1941. The second was for Captain Skillman's outstanding work as commander of the San Diego Supply depot during war years. After 35 years in the Navy, Captain Skillman retired to Carmel.

He is survived by his wife, Edith Barton Skillman, and a daughter, Jane Skillman, both of Carmel.

Private funeral services were held in Berkeley on Monday followed by burial in the National Cemetery at San Bruno.

Town Meeting Wed. To Hear Livingston

(Continued from Page One)

of the fundamental features of the plan, asked for a delay in the town hall meeting so they could have a chance to meet with Livingston, with the hope of modifying the plan, since they were not willing to go before the citizens in support of it.

The council and citizens' committee met with Livingston but neither the planning commission nor Livingston showed any disposition to modify the plan.

The public will hear it explained by Livingston Wednesday night as he presented it to the planning commission. The following Wednesday, public hearings will start before the planning commission when citizens will have an opportunity to protest officially.

Public hearings will continue as long as the planning commission considers necessary and then the commission, according to how they are impressed by citizens' protests, will either modify the plan or approve it as is, and pass it along to the city council.

The council will hold public hearings also. The council has the power of final decision.

CHARLES BOWMAN FOR FOREIGN AFFAIRS COUNCIL

World Affairs Council of the Monterey Peninsula will meet Monday evening at Carmel High School Library, 8:00 o'clock, in a members only meeting. Charles Bowman will speak on Our Neighbors to the North.

Mr. Bowman's talk will deal with the United States, Canadian national sovereignty, and Canadian stability. A resident of Carmel, before his retirement Mr. Bowman was editor of The Citizen, an Ottawa newspaper. He was a member of the Royal Commission to establish the Canadian Broadcasting Company, public relations councillor to Prime Minister Mackenzie King at the Imperial Conference in London, 1926; charter member of the Canadian Institute of International Affairs. He and Sir Robert Borden were the two members from Ottawa at the organization Council. Also, he attended the first conference of the Institute of Pacific Relations in Honolulu in 1927.

This program will be in the form of a round table, with discussion period following the talk, and was arranged by Reuben Johnson, program chairman for the Council.
